

Department: Oral & Maxillofacial Surgery

Department library details

Sl.No	Lib no	Type	Author	Title	Ed/Year	No. of copies	Acquisition
1.	2602	Book	Fonseca	Oral and Maxillofacial surgery –	2 nd edition	1	From library
2.	2344	Book	Berish Strauch	Grabb's Encyclopedia of Flaps –	3 rd edition	1	From library
3.	2345	Book	Berish Strauch	Grabb's Encyclopedia of Flaps	2 nd edition	1	From library
4.	2343	Book	Berish Strauch	Grabb's Encyclopedia of Flaps	1 ST edition	1	From library
5.	2595	Book	James R Hupp	Contemporary Oral and Maxillofacial Surgery	5 th edition	1	From library
6.	2080	Book	Peter Wardbooth	Maxillofacial Surgery – (volume – 1)	2 nd edition	1	From library
7.	2213	Book	Peter Wardbooth	Maxillofacial Surgery – (volume – 2)	2 nd edition	1	From library
8.	2221	Book	William H Bell	Distraction Osteogenesis of the Facial Skeleton	2 nd edition	1	From library
9.	2117	Book	G E Ghali	Peterson's Principal of Oral and Maxillofacial Surgery – 2 nd edition (volume – 2)	2 nd edition		From library
10.	1995	Book	G E Ghali	Peterson's Principal of Oral and Maxillofacial Surgery – 2 nd edition (volume – 1)	2 nd edition		From library
11.	1146	Book	Catone Alling	Laser Application in Oral and	1 st edition		From library

				Maxillofacial Surgery			
12.	840	Book	Gustaf O Kruger	Textbook of Oral and Maxillofacial Surgery	6 th edition		From library
13.	816	Book	Topazean and Goldberg	Oral and Maxillofacial Infections – 4 th edition	4 th edition		From library
14.	455	Book	Stanley F Malamed	Handbook of Local Anaesthesia – 4 th edition	4 th edition		From library
15.	836	Book	Fonseca	Oral and Maxillofacial Trauma (volume – 1)	3 rd edition		From library
16.	837	Book	Fonseca	Oral and Maxillofacial Trauma (volume – 2)	3 rd edition		From library
17.	660	Book	Stanley F Malamed	Sedation – A guide to patient management 4 th edition	4 th edition		From library
18.	2109	Book	Stanley F Malamed	Medical Emergencies in the dental office	6 th edition		From library
19.	2357	Book	Fonseca	Oral and Maxillofacial Surgery (volume – 1) 2 nd edition	2 nd edition		From library
20.	2358	Book	Fonseca	Oral and Maxillofacial Surgery (volume – 2) 2 nd edition	2 nd edition		From library
21.	2108	Book	Okeson	Management of Temporomandibular Disorders and Occlusion – 4 th edition	6 th edition		From library

22.	2573	Book	WEI, Mardini	Flaps and Reconstructive Surgery			From library
23.	1155	Book	B Srinivasan	Textbook of oral and maxillofacial surgery	2 nd edition		From library
24.	2281	Book	Ronald D Miller	Miller's Anesthesia – 7 th edition			From library
25.	501	Book	Russel	Bailey and Love's short practise of surgery – 24 th edition			From library
26.	482	Book	S Das	A Practical guide to Operative Surgery – 4 th edition.			From library
27.	1220	Book	Varghese Mani	Orthognathic Surgery			From library
28.	1222	Book	Ranajith Sen	Surgery for Oral and Maxillofacial Cysts and Tumours			From library
29.	1237	Book	Pramila Bajaj	Anesthesia and Analgesia in dentistry			From library
30.	948	Book	Lee Mc Gregor	Surgical Anatomy	12 th edition		From library
31.	470	Book	Peterson	Contemporary Oral and Maxillofacial Surgery (4 th edition)			From library
32.	Compl ement ary	Book	Purkait	Essentials of Oral Pathology			From library
33.	Compl ement ary	Book	LolfTronst ad	Clinical endodontics			From library
34.	Compl ement ary	Book	Daniel Bruser	Surgical Manual of Implant Dentistry			From library
35.	Compl ement ary	Book	Daniel Bruser	Implantology in General Dental Practice			From library

36.	Compl ement ary	Book	Loyd J Searson	Manual of Local Anaesthesia in Dentistry – 2 nd edition			From library
37.	Compl ement ary	Book	A P Chitre	Manual of Local Anaesthesia in Dentistry – 2 nd edition			From library
38.	Compl ement ary	Book	A P Chitre	Manual of Local Anaesthesia in Dentistry – 2 nd edition			From library
39.	Compl ement ary	Book	Neelima Malik	Textbook of Oral and Maxillofacial Surgery			From library
40.	Compl ement ary	Book	A K Nan	Undergraduate Surgery			From library
41.	Compl ement ary	Book	MD. Shrinsarpu r	Clinical Oral and Maxillofacial Surgery			From library
42.	1497	Book	NeelimaM ailik	Textbook of Oral and Maxillofacial Surgery – 3 rd edition	3 rd edition		From library
43.	Compl ement ary	Book	Srinivas G reddy	Unilateral cleft lip repair			From library
44.	1791	Book	S M Balaji	Text book of OMFS 2 ND Add			From library
45.		Book	Dept of OMFS, Pune	Tuesday Dental Clinics of AFMC			From library
46.	Compl ement ary	Book	K Rajgopal Shenoy	Manipal Manual of Surgery			From library
47.	Compl ement ary	Book	D A Thejeshwa ri	Medicinal plants of India			From library
48.	Compl ement ary	Book	G Laskaris	Pocket atlas of oral disease			From library
49.	Compl ement ary	Book	K C Gupta	When why and where in OMFS part1			From library

50.	Compl ement ary	Book	Sriram Bhat	S R B's surgery for dental students	2 nd edition		From library
51.	Compl ement ary	Book	K C Gupta	A Handbook maxillofacial trauma			From library
52.	Compl ement ary	Book	Sahitya Reddy S	Essentials of Periodontology			From library
53.	Compl ement ary	Book	K Rajagopal Shenoy	Manipal manual of surgery	3 rd edition		From library
54.	Compl ement ary	Book	K Rajagopal Shenoy	Manipal Manual of Surgery	3 rd edition		From library
55.	1600	Book	K Rajagopal Shenoy	Manipal Manual of Surgery	3 rd edition		From library
56.	Compl ement ary	Book	Anil Ghom	Basic Oral Radiology			From library
57.	1600	Book	Jatin Shah	Head and neck surgery and oncology	4 th edition		From library

SI No	Year	LD Topic	PG
1.	2011	Odontogenic Infections	Dr. Sumaiya Begum
2.	2011	Rigid Internal Fixation	Dr. Bhavesh Gupta
3.	2011	Blood Dyscrasias	Dr. Deepika Bartuna
4.	2012	Fluid and Electrolyte Balance in Maxillofacial Surgery	Dr. Mohammed Idris
5.	2012	Surgical Approaches to Maxillofacial region	Dr. Kushal Rathi
6.	2012	Blood Transfusion	Dr. Amit Kumar
7.	2013	Neurological Disorders of the maxillofacial region	Dr. Yogitha Priyadarshini
8.	2013	Preprosthetic Surgery	Dr. Modi Milan M
9.	2013	Medical Emergencies and medically	Dr. Nishanth Shabreen

		compromised	
10.	2014	General Anesthesia	Dr. Mythili
11.	2014	Sterilization	Dr. Sukalpa
12.	2014	Local Anesthesia	Dr. Srikant
13.	2015	Cleft Lip and Cleft Palate	Dr. Eera Mehta
14.	2015	Local and regional Flaps	Dr. Sheron Mathew
15.	2015	Craniofacial Deformities	Dr. Shahzaib Nasti
16.	2016	Diagnosis of dentofacial deformities	Dr. Priyangaona
17.	2016	Fibro osseous lesions of jaw	Dr. Mohammed MahbubulHode
18.	2016	Temporomandibular Joint Disorders	Dr. Satyapriya
19.	2017	Medical Examination in Oral and Maxillofacial Surgery	Dr. M. Karthik Vishwas
20.	2017	Neck Dissection	Dr. Rayan Malick
21.	2017	Imaging Techniques in Oral and Maxillofacial Surgery	Dr. Shruti Patil
22.	2018	Laboratory Investigations in oral and maxillofacial Surgery	Dr. Alakananda
23.	2018	Medically Compromised Patients	Dr. Dhanush C V
24.	2018	Bone Grafts	Dr. Monika Chillal
25.	2019	Ballistic Injuries	Dr. Romir Navaneetham
26.	2019	ICU and Critical care in oral and maxillofacial surgery	Dr. R. Ritvik Vinayak
27.	2019	Nutrition in oral and maxillofacial surgery	Dr. Sijo Sam Mathews

Sl No	Year	Thesis Topic	PG
-------	------	--------------	----

1.	2011	Comparative study of two point and three point fixation in management of zygomatic complex fractures.	Dr.Sumaiya Begum
2.	2011	Comparison of efficacy of submucosal and intramuscular dexamethasone injection post-operative sequelae after third molar surgery.	Dr.Deepika B
3.	2011	A comparative study of Gow Gates and VaziraniAkinosi techniques for mandibular surgery.	Dr Bhavesh Gupta
4.	2007	Evaluation of soft tissue changes after surgical maxillary advancement procedure.	Major Venugopal.MG
5.	2012	Evaluation of facial nerve function following extra oral surgical approaches for maxillofacial surgery.	Dr.Kushal Rathi
6.	2012	Estimation of blood loss in maxillofacial surgery.	Dr.Idris
7.	2012	Antibiotic prophylaxis in intra oral management of mandibular fracture requiring open reduction and internal fixation : Clinical comparison of single preoperative loading dose of antibiotics vs three day regime.	Dr.Amit Kumar
8.	2013	A comparative study of Colorado micro dissection needle Vs scalpel in maxillofacial surgery.	Dr. Milan Medir
9.	2013	A comparison of the instillation of Lidocaine, air or saline in endotracheal tube cuff to prevent post-operative sore throat.	Dr. Nishant Sabreen
10.	2013	Clinical evaluation of efficacy of cyanoacrylate glue and conventional polypropylene suturing in cutaneous bones- a comparative study.	Dr.Yogita Priyadarshini C.
11.	2012	To evaluate the success of two stage Implant in maxillary sinus lift procedure with calcium phosphosilicate bone graft.	Dr. Khan Mohd. Arin (Al. Badar Dental College- Gulbarga)
12.	2012	A comparative evaluation of clinical efficacy of Lycopene and curcumin in the treatment of oral submucous fibrosis using ultrasonography.	Dr. Rajib K. (Navodaya Dental College- Raichur)

13.	2012	Comparison of the efficacy of autologous platelet rich plasma with collagen sponge in mandibular third molar socket- A prospective clinical study.	Dr.Syed Shah Ahmed (Navodaya Dental College)
14.	2012	Comparison of buccal fat pad with human amniotic membrane in surgical management of stage 3, 4 oral mucous fibrosis.	
15.	2014	Correlation of radiological and clinical findings of impacted mandibular third molar in relation to inferior alveolar canal- A prospective study.	Dr. Sukalpa Datta
16.	2014	Efficacy of transdermal buprenorphine patch in post-operative pain management in oral and maxillofacial surgery.	Dr. Mythili
17.	2014	An observational study for localization of temporal and marginal mandibular branch of facial nerve in Indian cadaver.	Dr. Srikant Verma
18.	2015	Comparison of lingually based and triangular flap design in surgical removal of impacted mandibular third molar.	Dr. Eera Mehta
19.	2015	Efficacy of Buprenorphine in 2% Lignocaine 1:80,000 combination for post-operative analgesics after removal of impacted mandibular third molar-A perspective clinical study.	Dr. Sheron Mathews
20.	2015	Comparison of conventional arch bars with fixation screw's for intermaxillary fixation in mandibular fractures: A randomized prospective clinical study.	Dr. Shahzaib Akhter Nasti
21.	2013	A comparative study of surgical Vs ultrasound guided drainage of facial space infection.	Dr. Manjunath (AL Ameen Dental College)
22.	2013	Temporomandibular joint arthrocentesis two needle Vs single needle technique.	Dr. Gangadhar B. (PMN Dental college)
23.	2013	Versatility of nasolabial flap in intraoral reconstruction.	Dr. Prannoy S. Kunde (PNM Dental college)
24.	2013	Comparison of bone regeneration in extraction socket using autologous platelet rich fibrin gel	Dr. Snehalatha N.

		with demineralized freeze dried bone graft after third molar removal.	(PMNM Dental college)
25.	2012	Comparison of buccal fat pad with human amniotic membrane in surgical management of stage 3,4 oral submucous fibrosis.	Dr. Kamran Tehir Khan (AL BadarRaval Dental college)
26.	2011	Comparative study of healing with and without platelet rich fibrin. Combined with hydroxyapatite in impacted third molar surgery.	Dr. Faisal Mohammad E. (Al Ameen Dental college)
27.	2012	Effect of autologous platelet rich fibrin on peri implant bone regeneration_ A prospective clinical study	Dr. Rathore Kapil Praveen (Navodaya Dental College)
28.	2009	A comparative study between surgical and non-surgical treatment of oral submucous fibrosis.	Dr. Nikhil Pandit (Institute of Dental Science- Bareilly)
29.	2009	A comparative study between trans-oral and extraoral approach for treatment of mandibular angle fracture.	Dr. Hitesh Hans (Institute of Dental Science - Bareilly)
30.	2009	A comparison between buccal pad fat graft and collagen membrane graft in surgical reconstruction of buccal mucosal defects in OSMF.	Dr. Abhilash (PMNM Dental College)
31.	2011	Single puncture arthrocentesis-A novel therapy for TMJ disorder.	Dr.Pritish Patnaik (AJ Institute of Dental Science)
32.	2011	A comparison of one point Vs two point fixation of zygomatic maxillary complex fracture.	Dr. SaifTagla (Al Ameen Dental college)
33.	2011	Dermal fat pad in inter-positional graft in surgical management of TMJ ankylosis.	Dr. Merchant Mustafa (PMNM Dental college)
34.	2016	Comparison of ultrasonography with conventional radiography in diagnosis of zygomatic complex fracture.	Dr. Priyanga

35.	2016	Assessment of pattern of midface fractures.	Dr. Satyapriya
36.	2016	Assessment of post- operative bleeding after dental extractions in patients who are on antiplatelet therapy.	Dr. Md. MahabubulHode
37.	2017	The comparative efficacy of Aceclofenac and ibuprofen in post-operative events after third molar surgery.	Dr. M. Karthik Viswas
38.	2017	Ophthalmic complications associated with zygomatic complex fractures- Randomized descriptive clinical study.	Dr. Ryan Malik
39.	2017	Comparison of pain intensity and clinical efficacy of direct conventional and VaziraniAkinosi technique for anesthesia using inferior alveolar nerve.	Dr. Shruti Sunil Patil
40.	2018	Comparison of efficacy of Simavastatin and platelet with plasma in bone regeneration following local application in extraction sockets.	Dr. Alakananda
41.	2018	Comparison between operating surgical microscope and high magnification surgical loupes in microvascular reconstruction of head and neck defects in tertiary health care – A perspective randomized control test.	Dr. Dhanush
