Dear Dr. Sujatha,

Vydehi Institute of Dental Sciences

Thank you for your generous contributions to Parinaam Foundation. The Dental camp conducted by your hospital in our community Immidihalli was well organized, we covered 237 beneficiaries. Thank you for providing us with the best team, the camp conducted was useful to our children and beneficiaries. The follow-up services provided by Vydehi Dental Hospital also was immensely helpful. We are thrilled to have your support in our endeavor to empower the underserved poor of our cities. People like you and your intent to create a more equitable society help our beneficiaries lead healthier, safer, and better lives.

We at Parinaam Foundation work towards transforming communities that are 'home to the invisible poor'. We believe this needs to be done through a partnership with individuals like you, where we can come together to help less fortunate people and provide them with some happiness.

Please find below some pictures from our program.

We are grateful to you for joining us on this journey and we hope that you continue to walk together with us.

With warm regards,

Malika Ghosh

Dear Sir/Madam,

Sub: **Letter of Appreciation**

We would like to thank you for your offer to provide comprehensive dental check-up for the children of our Institution at the campus itself.

It takes a huge effort to organize various Medical Camps with the help of volunteers & people available to us.

Great work by Dr. Mohammed Anush and Team for their commendable job.

The camp included dental awareness talk, educating students about common dental ailments, especially stressing on tooth decay and gum diseases and measures to prevent from them.

The students were told about proper brushing techniques, the eating patterns and food choices which cause tooth decay. The surgeons also highlighted about the possible formation of harmful acid which develops when bacteria (plaque) get in contact with sugar in the mouth which ultimately results in tooth decay.

We look forward for such more camps in future.

Thanking You,
Yours Faithfully
